Mr. Self,

Please find attached the updated Alabama Attorney General Statement Table, including the corrections suggested during our November 15th conference call. We are asking that you review our Attorney General Statement for compliance and approval for our 2018 SPA Package Submission. If this element of the package is acceptable, would you suggest we re-submit the entire package to EPA or would our final draft be added into the submitted package previously submitted? If you have any questions, feel free to call myself or Mr. Cruise. Hope to hear from you soon.

Thank you

Please find attached my final draft of the AG's Statement of Applicable State Authorities. Please forward the same to EPA for an informal review. Let me know should you have any questions. Thank you, Jim
